fluent. We encourage as many of you as possible to participate in the congress, which looks like becoming a great success, with the amount of presentations being at least the same as in the 11th World Congress in Yokohama, Japan (2008). As you may already know, the Cape Town registration site has opened and the Early Bird rate for members closes on Dec 31.

We would like to challenge each one of you to market the congress and to inspire your colleagues to join us in Cape Town.

As you can read in this Signal, our Board member Deborah Weatherston from the Michigan Affiliate has made an initiative for creating a Celebrating the Baby -week. Maybe we could join her initiative and organise a day or week with the same theme of celebrating babies and their families in all the affiliates around the world! So please read the guidelines on page 17, and join the events internationally October 24-28, 2011!
